

# Signing on/off the FHA Connection

This **FHA Connection Guide** module provides training on FHA Connection sign-on/sign-off related topics:

- **Sign on Requirements and Procedures**
  - **Sign on Steps**
- **Password & User ID Guidelines and Problem Solving**, including:
  - **Password Rules**
  - **Password Change**
  - **Password Reset**
  - **Account Lockout**
  - **Retrieving a Forgotten User ID**
  - **User ID Termination/Reinstatement**
- **Signing off of the FHA Connection**

## Sign on Requirements and Procedures

To sign on to the FHA Connection, you must first register and be authorized to use the system (see the **FHA Connection Guide** module: **FHA Connection Registration Procedures**). Upon successful registration and authorization setup, you receive your FHA Connection **user ID** from your Application Coordinator. Usage rules include:

- This user ID is a unique identifier assigned specifically to an individual within an organization. **Sharing the user ID is prohibited.**
- As an authorized user, you are accessing a secure HUD system with requirements and penalties regarding information access, alteration, damage, or destruction, as is noted on the registration form that you complete and on the Warning posted on the FHA Connection Welcome page (**Figure 1**).

**FHA Connection** | Home | Main Menu | ID Maintenance | E-mail Us | Contact Us | Sign Off

**Welcome**

The FHA Connection provides FHA-approved lenders and business partners with direct, secure, online access to computer systems of the U.S. Department of Housing and Urban Development (HUD).

**Warning!** This computer system, including all related equipment, networks, and network devices (specifically including Internet access) contains data belonging to the U.S. Government, and is provided for authorized U.S. Government use only. Access requires the use of an authorized user account number and password, which is sensitive and must never be shared with anyone at any time. Doing so increases the risk of access by an unauthorized person posing as you. Authorized personnel will treat information about HUD computing resources (i.e., system names, technologies employed, etc.) as sensitive and will not reveal it to unauthorized personnel. This computer may be monitored for all lawful purposes, including ensuring that its use is authorized, to facilitate protection against unauthorized access, and to verify operational security. During monitoring, information may be examined, recorded, copied and used for authorized purposes. All activities and information, including personal information, associated with the use of this system may be monitored. Use of this computer system, authorized or unauthorized, constitutes consent to monitoring. Misuse or unauthorized use may subject you to criminal prosecution. Evidence of unauthorized use collected during monitoring may be used for administrative, criminal, or other adverse action. Use of this system implies understanding of these terms and conditions. Authority: U.S. Federal Criminal Code (18 USC 1030 - Fraud and Related Activity with Computers) and HUD Information Technology Security Policy 2400.25.

Figure 1: FHA Connection description as a secure system and federal information warning

- To sign on, enter the user ID assigned to you and the password you chose during registration for your access to the FHA Connection (**Figure 2**).
- As recommended on the FHA Connection registration form, it is important to remember the password you recorded on that form as it is not provided back to you when HUD issues your user ID. In the event of a password problem, use the **Forgot Your Password?** link to access the FHA Connection's Password Reset page (see **Password Reset** in this module).

If you continue to have a problem:

- contact your institutional Application Coordinator, or
- the FHA Resource Center or the FHA Connection Single Family Administrator whose contact information is available via the **Contact Us** links on the Welcome page (**Figure 2**)
- First-time users of the FHA Connection must sign on and then change their password immediately (a security procedure as the initial password is recorded on the registration form). This password should be known only by you and should never be shared, displayed online, or divulged publicly in any way. This includes, but is not limited to, examples such as provision to third parties in telephone conversations, placing on office message boards, and/or recording in a written note, message, or workstation file.

## Sign on Steps

Use the following steps to sign on to the FHA Connection:

1. Enter your HUD-assigned user ID and password on the FHA Connection Welcome page (**Figure 2**).

**Enter your User ID and Password, then press Enter**

**Use links for additional FHA Connection information**

- For detailed, illustrated training for using the FHA Connection’s menus and functions, refer to other **FHA Connection Guide** modules, including **Using the FHA Connection**, and modules located in the Single Family Origination, Single Family Servicing, and Neighborhood Watch sections of the **FHA Connection Guide** website.

## Password & User ID Guidelines and Problem Solving

Specific guidelines apply in the processes of password creation and entry, password change, and password problem solving and reset. The following subsections cover key password topics:

- **Password Rules**
- **Password Change**
- **Password Reset**
- **Account Lockout**
- **Retrieving a Forgotten User ID**
- **User ID Termination/Reinstatement**

### Password Rules

- Passwords MUST NOT be disclosed
  - At initial sign on, new users are prompted to change their password immediately. This security procedure is due to the registration password being recorded on the registration form.
  - From this point on, your password should be known only by you and should never be shared, displayed online, or divulged publicly in any way.

- Password creation rules include the following:
  - MUST be changed every 21 days
  - MUST be eight (8) characters in length
  - MUST contain at least one:
    - number,
    - uppercase letter, and
    - one special character, e.g., @, #
  - ARE case sensitive, e.g., if M@ry1#Ab is your password, entering m@ry1#aB will fail
  - MUST include numbers, letters, and a special character
  - Cannot be changed to any of the last eight passwords used

**Note:** Click [Help Links](#)  on the Password Change page (**Figure 5**) for assistance.

## Password Change

Password change is required every 21 days. If it is not changed within the 21-day time frame, the Password Change page appears automatically when you next attempt to sign on. The following steps show how to change your password (at any time, as needed or required):

1. Sign on to the FHA Connection and select **ID Maintenance** (**Figure 3**); from the ID Maintenance page, select **Password Change** (**Figure 4**).

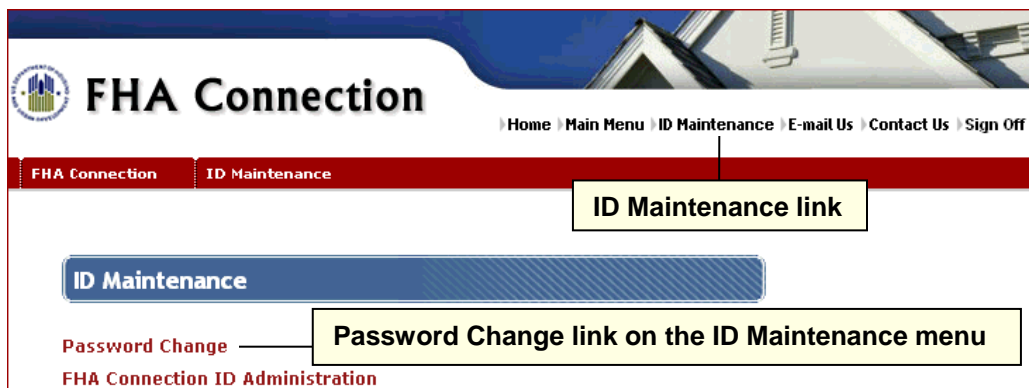

Figure 4: Password Change link on the ID Maintenance menu

2. On the Password Change page (**Figure 5**), enter and re-enter the new password. When the page reappears with a Success message, navigate to the desired menu to begin processing.

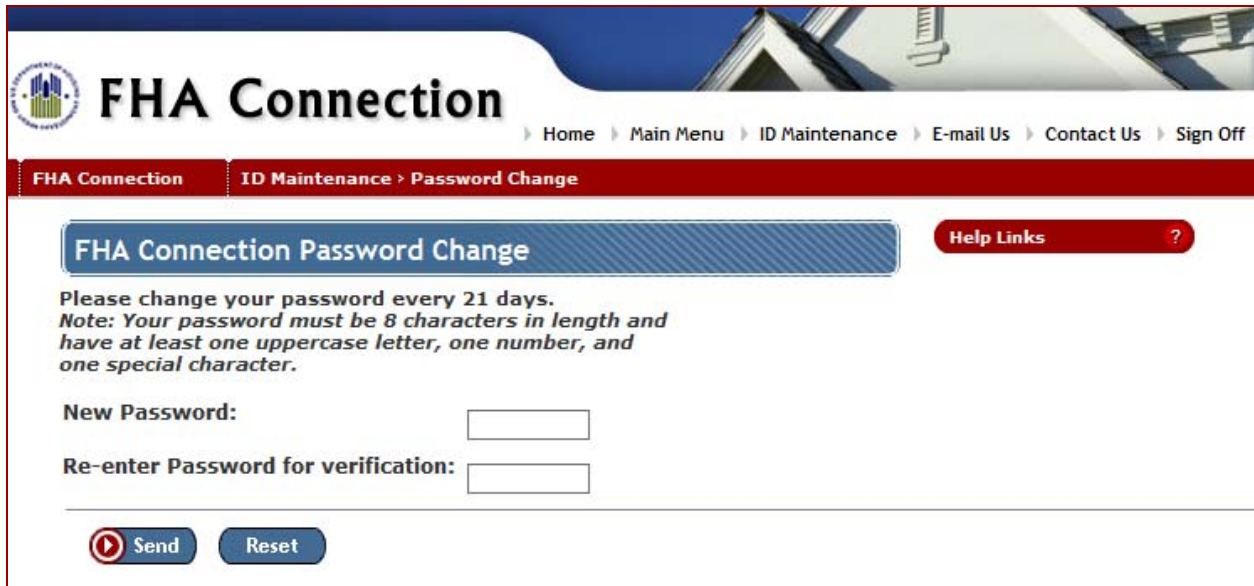

Figure 5: Password Change page

### Password Reset

If you forget your password, you can reset it using the FHA Connection’s Password Reset page accessed using the **Forgot Your Password?** link on the FHA Connection’s Welcome page (Figure 6).

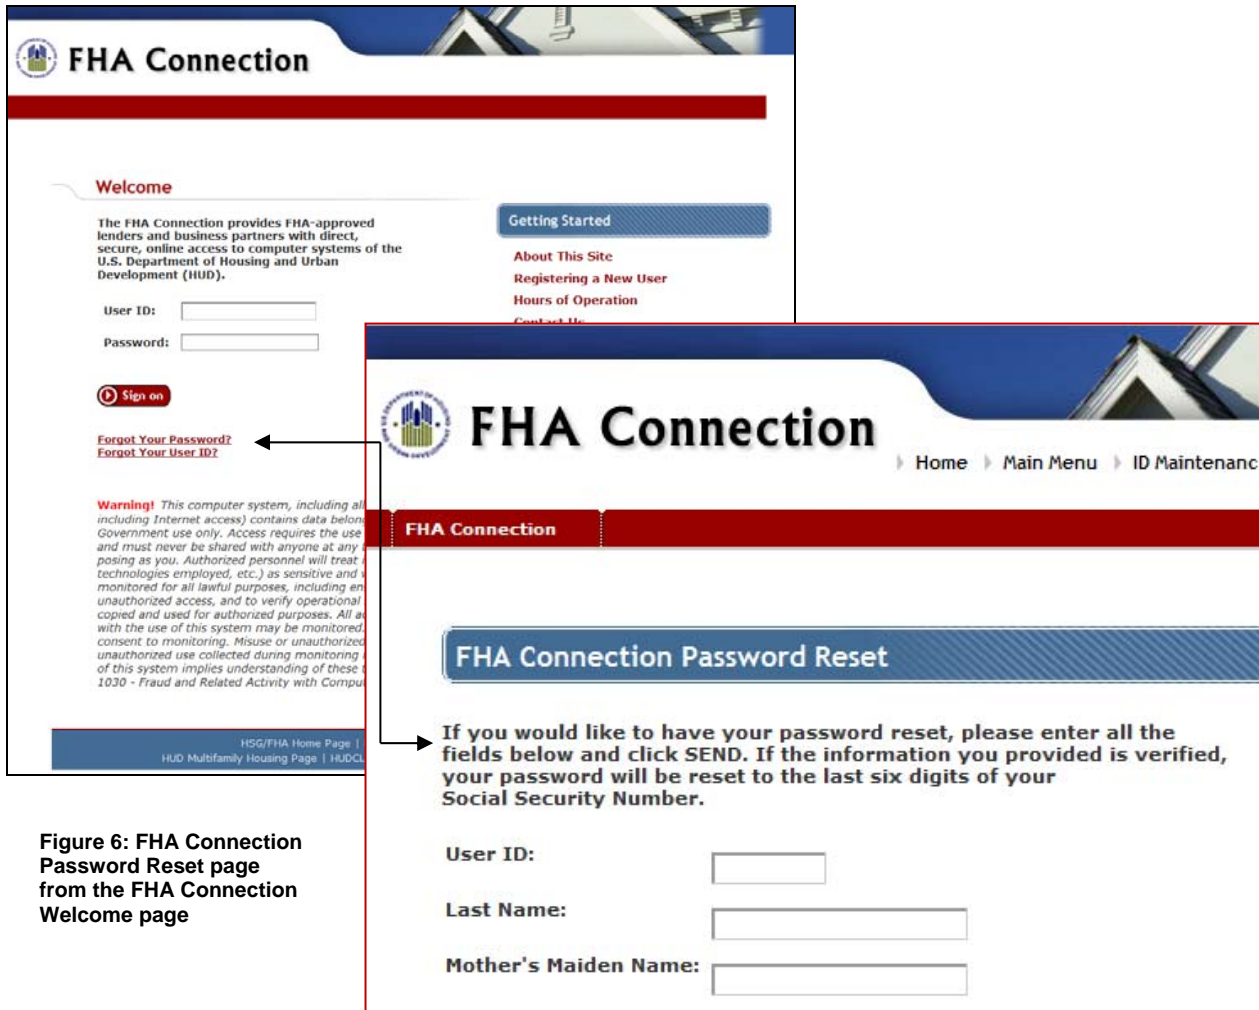

Figure 6: FHA Connection Password Reset page from the FHA Connection Welcome page

Enter your **User ID**, **Last Name**, and **Mother's Maiden Name**. Upon verification of the entered information, the password is reset to the last six digits of your **Social Security Number**. If you are unable to reset your password, contact your Application Coordinator, the FHA Resource Center, or the FHA Connection Single Family Administrator for password reset or to receive sign on assistance. Use the **Contact Us** links on the Welcome page (**Figure 2**) to find FHA Resource Center or Single Family Administrator contact information.

After a password reset, sign on using the last six (6) digits of your Social Security Number (SSN). The page for the **Password Change** function (**Figure 5**) automatically appears, requiring you to create a new password. This is a security measure.

## Account Lockout

If you enter an incorrect password on three consecutive sign on attempts to the FHA Connection, your user ID/account will be locked (you will be unable to sign on) and the FHA Connection Password Reset page is displayed. Your user ID will remain locked until you reset your password (see the **Password Reset** section).

## Retrieving a Forgotten User ID

If you have forgotten your HUD-assigned user ID, click the **Forgot Your User ID?** link on the FHA Connection Welcome page (**Figure 7**) to begin the process of retrieving your ID. Complete and submit the displayed page (**Figure 7**) and follow the instructions provided which are based upon your User ID and the entered information.

The image shows two overlapping screenshots of the FHA Connection website. The top screenshot is the 'Welcome' page, and the bottom screenshot is the 'Forgot Your User ID' page.

**Welcome Page:**

- Header: FHA Connection
- Section: Welcome
- Text: The FHA Connection provides FHA-approved lenders and business partners with direct, secure, online access to computer systems of the U.S. Department of Housing and Urban Development (HUD).
- Form: User ID:  Password:
- Buttons: Sign on (with a red arrow icon)
- Navigation: Getting Started (blue button), About This Site, Registering a New User, Hours of Operation, Contact Us, References (blue button), Frequently Asked Questions
- Links: Forgot Your Password?, Forgot Your User ID?
- Warning: **Warning!** This computer system (including Internet access) contains information that is for Government use only. Access restricted to authorized personnel and must never be shared with anyone. This information may be monitored for all lawful purposes, including unauthorized access, and to verify the accuracy of the information. This information may be copied and used for authorized purposes. Misuse of this system may result in disciplinary action. Consent to monitoring. Misuse of this system may result in disciplinary action. 1030 - Fraud and Related Activities
- Footer: HSG/FHA HUD Multifamily Housing

**Forgot Your User ID Page:**

- Header: FHA Connection
- Navigation: Home, Main Menu, ID Maintenance, E-mail Us, Contact Us, Sign Off
- Section: Forgot Your User ID (blue button)
- Text: If you have misplaced your FHA Connection user ID and would like to be sent the user ID, please enter all the fields below and click SEND. If the information you provided is verified, you will be notified of how you will be issued your FHA Connection user ID.
- Form: Last six (6) digit of SSN:  Last Name:  Mother's Maiden Name:
- Buttons: Send (with a red arrow icon), Reset (blue button)

**Figure 7: FHA Connection Forgot Your User ID page from the FHA Connection Welcome page**

## User ID Termination/Reinstatement

If you have not signed on to the FHA Connection for 90 days, your user ID is terminated. If there are no authorization problems, you can be reinstated by your Application Coordinator.

As part of the reinstatement process, your password is reset to the last six (6) digits of your Social Security Number (SSN). After reinstatement, sign on by entering your user ID in the **User name** field and entering the last six (6) digits of your Social Security Number (SSN) in the **Password** field. The page for the **Password Change** function (**Figure 5**) automatically appears, requiring you to create a new password. This is a security measure.

## Signing off of the FHA Connection

After completing your work on the FHA Connection, or if you need to be away from your computer, you should end your current session by signing off of the FHA Connection. This security measure will help prevent unauthorized users from accessing sensitive information using your assigned User ID.

To sign off of the FHA Connection, click **Sign Off**, which is located in the page header (**Figure 3**). You are returned to the Welcome page of the FHA Connection (**Figure 1**).

In addition, you are automatically signed off if you do not actively use the FHA Connection for a period of 20 minutes. When this automatic sign off occurs, the last page that you accessed remains displayed (with any previously entered information). However, when you attempt to process the current page or go to a new page, the FHA Connection Welcome page appears and requires that you sign on again. After successfully signing back on, the system responds to your last action (e.g., it processes the page with all previously entered information if you had clicked **Send** or displays the page you were attempting to access). However, if your sign on attempt is not successful or if you close the browser and then sign on to the FHA Connection, any previously entered information that was not processed must be reentered.
