Loan Review System (LRS)

The **Loan Review System** menu option provides authorized FHA-approved lenders access to the Loan Review System (LRS). Lenders use LRS to interact with FHA on the majority of Title II Single Family quality control processes, including:

- Post-Endorsement Loan Reviews,
- Unconditional Direct Endorsement Authority Test Cases,
- Lender Monitoring Reviews, and
- Lender Self-Reporting of Fraud Authority and Other Material Findings.

To access the **Loan Review System (LRS)** function, sign on to the FHA Connection, select **Single Family FHA** from the **Main Menu** page, and then select **Loan Review System** (Figure 1).

Additional LRS information is available on HUD’s Loan Review System page at: [https://www.hud.gov/program_offices/housing/sfh/lender/loan_review_system](https://www.hud.gov/program_offices/housing/sfh/lender/loan_review_system).
